NOTICE

CALNET I (CNT-001) ONE-YEAR CONTRACT EXTENSION
SPECIAL ATR BULLETIN 2005-03
May 4, 2005

Please share this information with the appropriate technical, accounting, procurement and management staff within your organization.

The State has exercised its option to extend the California Integrated Information Network (CALNET) master contract (CNT-001) for one year, from December 3, 2005 to December 3, 2006. This information is contained in **Amendment 18** to the CALNET contract, and will be posted within the next 7 to 10 days on the CALNET homepage at www.calnetinfo.com.

CALNET services to State and local government agencies will continue without interruption. Authorization to Order (ATO) agreements for local government agencies continue in effect, and will be automatically renewed, according to the terms and conditions of the signed ATO.

The State will continue to work with the contracted vendors to reduce CALNET contract prices wherever possible.

In addition to Amendment 18, the State has signed **Amendment 17** to the CALNET contract, containing rate reductions and additional audio conference services. More information on Amendment 17 will be published in an ATR bulletin within the next 7 to 10 days.

For any questions regarding this bulletin or other telecommunications issues, please call the DGS Telecommunications Division Resource Communications Center at (916) 657-9903 (CALNET 437-9903), and ask to speak to a Customer Account Manager.
